FULL VENUE HIRE

Our full venue hire option provides exclusive use of the Flush Golf venue and is suitable for groups of up to 50 guests. This includes access to all five Trackman simulator bays.

This is ideal for corporate functions, networking events, and private celebrations, and can be tailored to suit your group size and objectives. Our team can assist with a range of interactive and tournament-style formats, including:

- » Closest to the Pin
- » Longest Drive
- » Ambrose, Greensomes, Fourball or Individual Tournaments
- » Shuffle Golf
- » Capture the Flag

For corporate events, we can also add your company's logo to the simulator screens, providing a personalised touch throughout the event.

PRICING:

- » Full venue hire of Flush Golf is subject to a minimum spend of \$1,000 per hour
- » The cost of all five simulator bays (\$300 per hour; 5 × \$60) is included within the minimum spend
- » The remainder of the minimum spend consists of food and beverage.

For events exceeding 50 guests, we can reserve an area within Bar Ziti, allowing the event to expand comfortably for groups of up to 220 guests. This extended format can include live music, hosted quiz nights, or full venue hire for major sporting events, providing additional space while maintaining access to the golf experience. Please provide us some details about your event and we can give you a quote.
